

**OFFICIAL TITLE, SERIES, AND GRADE:
DIETITIAN, GS-0630-09**

Summary of Major Duties

The incumbent of this position serves as a dietitian/nutritionist/food service supervisor responsible for planning, scheduling and supervising feeding operations for disaster response team members and patients at the Clearing Staging Unit (CSU).

Minimum Qualifications

Education: Bachelor's degree or higher with a major field of study in dietetics, food, nutrition, food service management, institution management, or related science. The curriculum must have been in accordance with the qualifying requirements established by The American Dietetic Association (ADA) in effect at the time of graduation. Information on ADA-approved curricula may be obtained from The American Dietetic Association, 430 North Michigan Avenue, Chicago, Illinois 60611.

(Professional registration as a registered dietitian (R.D.) is evidence of meeting ADA requirements.)

Additional Requirements: In addition to meeting the education requirements, applicants must have one year of specialized experience directly related to the position equivalent to at least the GS-7 level in the Federal service that equipped the applicant with the particular knowledge, skills, and abilities to successfully perform the duties of the position.

**OFFICIAL TITLE, SERIES, AND GRADE:
EMERGENCY PLANNING ANALYST, GS-0301-13**

Summary of Major Duties

The incumbent of this position serves as the Planning Section Chief and is responsible for the management, assessment, planning, personnel tracking, information analysis, and documentation activities of the operational action plan, including planning for current and future emergency operations, deployments, and mission support.

Minimum Qualifications

One year of operational experience in emergency incident management equivalent to the GS-12 level in the Federal service that equipped the applicant with the particular knowledge, skills, and abilities to successfully perform the duties of the position.
